**RE: SUSPENSION ON IMPORTATION OF CLOVEN-HOOFED ANIMALS FROM
FMD INFECTED SADC COUNTRIES**

Please be advised that there is a suspension on the importation of cloven-hoofed animals from the following SADC countries for the period 01 September 2024 to 31 December 2024:

South Africa
Zambia
Mozambique
Malawi

This suspension is due to the high risk of spread of FMD SAT 1,2,3, and type O infections from these countries into Zimbabwe.

During this period, applications will be considered and processed case by case.

A handwritten signature in black ink, followed by the date "20/08/2024" written in a cursive style.
